BONDS — This week's bright remark is credited to Al Smith: "Where do they get this talk about 'buying' bonds? You aren't buying anything. You're lending your money to Uncle Sam and getting mighty good interest." "I think you showed remarkable restraint last week in refraining from comment when it was announced that a Frank Sinatra picture would be shown here," said a Village woman this week. Yes, ma'am, but it was in a good cause and it was a good picture. . . . According to current figures Henry Weinberger, single-handed, sold more bonds than the entire committees in several larger communities have to date.

GOING—Uncle Sam made another large dent in the Village this week. His examiners found Jimmy Cooper, Mike Murray, Harold Hicks, Joe Henderson in fine physical shape and tabbed them. . . . Gene Therieau said they wouldn't take him. He claims they told him the war was not that bad, yet. . . . Think of all the places throughout the world which are going to be able to display this sign: "Eleanor Slept Here." . . . The weather man is doing me dirt. Last Friday I wrote: "Isn't this wonderful weather!" and on Saturday, Sunday and Monday it rained.

MOVIES — "Sweet Rosie O'Grady" did a lot more than put 20-year-old tunes on the Hit Parade. Plot of the picture had to do with the Police Gazette and copies of that old-timer, which once adorned every barber shop chair, are again on newstands since that film came out. . . . "My Heart Tells Me," from the picture, has been number one on the Hit Parade for several weeks. But tomorrow night I think it will be No. 2. "Shoo, Shoo Baby" seems ready to pop into the No. 1 spot.

MUSIC — All is calm on the home front. Mrs. G's "Shining Hour" made the Hit Parade and with her other pick making it the week before, she's even with me now. . . . Monday is President Roosevelt's birthday. It's also the birthday of Mrs. Charles Burket, head of the local March of Dimes, which honors FDR's birthday. . . . S. M. Smith, visitor here, who says he almost had to sleep under a palm tree, was so impressed by a certain sign, predominant here that he paraphrased Longfellow's poem: The Shades of Night were falling fast, As through the desert village passed, A youth who bore, sans snow and ice, A banner with the strange device NO VACANCY.

WEATHER — Dr. H. M. F. Behneman has been checking up on our weather. From U. S. records, over a period of 35 years, he finds that the average January temperature here is 55 degrees, the July average, 90.6 degrees. The hottest it has ever been here in 35 years is 122 degrees and the coldest, 18 degrees. The average annual rainfall is 5.60 inches and February the wettest month with a 35-year average of 1.54 inches. . . . Government records say there has been frost in Palm Springs but never after January 18.

POLITICS — When young I lived on a ranch, connected to town by one very dusty road. I got my first lesson in politics then. The mayor of the town was going with my oldest sister and it wasn't long before the first paved road in the ranch country led from town to a spot five feet beyond our driveway. . . . I love to go to their house now—she's one of those old-fashioned cooks. . . . C. W. Valentine once wrote a dedication speech with the phrase "For God and the Republican party." A county seat politician changed it to read "For the Republican party and God."

LASTLY—The saddest words, it's come to pass, Are those which state, Alas, No Gas.

Palm Springs-Edom Road Listed for Postwar Pavement

Improvement of the Palm Springs-Edom road, a stretch of 5.2 miles, at a cost of \$20,000, is included in a list of 36 post-war county projects approved by county board of supervisors last week.

The highway would shorten the distance between this city and Indio by three or four miles.

Total county projects approved approximate 165 miles and the estimated improvement cost is \$2,812,800.

Post War Program Under Way

Many Projects Under Consideration For Palm Springs

A program of public improvement for Palm Springs and other Riverside county communities will be worked out by a committee consisting of one member of each chamber of commerce in the county, the county planning commission and the board of supervisors, as result of a meeting Wednesday night at Hemet and attended by five Villagers.

The meeting was called by the county chamber of commerce to launch a post war planning campaign and was attended from here by Francis F. Crocker, chairman of the Palm Springs Chamber of Commerce Post War Planning committee, Culver Nichols, head of the county Planning Commission, Harris Posey, Stanley Rosin and Walter Kofeldt, secretary of the local chamber.

PLAY LARGE PART

The local delegation played a large part in the proceedings and it was on the suggestion of Mr. Crocker that the committee consisting of one representative of each community, will be formed to confer with county planners and supervisors, to line up a post war plan.

Mr. Crocker last Monday, when notified of Wednesday night's meeting, called a meeting of Chamber of Commerce members, city councilmen and others interested in post war development here. He outlined the program and assigned to each of them present one phase of post war projects for study and estimate of cost.

MANY LOCAL PROJECTS

Sanitation, street improvements, public buildings, parks, recreation and the Tramway are among the local projects considered.

Harry C. Harper, secretary of the county chamber, who presided at the Hemet meeting, said the work of the proposed committee would be to obtain lists of projects judged necessary in post war construction throughout the county and to work with the planning commission in carrying the approved projects to completion.

Speakers at the meeting included Ralph W. Stanfield of Corona, chairman of the board of supervisors; C. B. Cravens of Riverside, county highway superintendent and secretary of the planning commission; Floyd Gilmore of Hemet, supervisor and member of the planning commission's post war committee; Dudley B. Wheelock, Riverside, general commercial manager of California Electric Power company; Culver Nichols of Palm Springs, chairman of the county planning commission; DeWitt Nelson, San Bernardino, supervisor of the San Bernardino National forest which included the San Jacinto peaks, and others representing various county sections.

Scenic Photographs of Palm Springs And Vicinity Sought

An appeal was sounded to amateur photographers by the Chamber of Commerce to check over their favorite films of scenic shots of Palm Springs and vicinity and to bring them in to the Chamber.

Walter Kofeldt, secretary, said the Chamber is on the look out for scenic shots of the Village and vicinity and wants to make duplicate negatives for its files of some of the good shots it knows amateur photographers in the Village have.

Bring them in to the Chamber or call 6111, said Kofeldt.

Four Now In Race For City Council

Housman And Boyd Not Candidates For Re-election

With the opening gun in the spring municipal campaign scheduled for two weeks from today—Feb. 11—when nomination petitions go into circulation, the council picture took shape today with declarations by incumbents and candidates.

Five council seats will be at stake in the election which is scheduled for April 11. Elections will be held in districts 2, 3, 4, 5 and 7. In districts 1 and 6 there will be no election as terms of C. P. Adams in the first and Mayor F. V. Shannon in the sixth, do not run out this year.

FIVE SEATS AT STAKE

According to state law, terms of councilmen appointed during the year run until the next election only, so terms of Councilman George Housman, appointed to fill the vacancy caused by the resignation of Major Frank Pershin in the 7th district, Frank W. Cutler, appointed to fill the vacancy when Ray Sorum resigned to become public works director and E. E. Therieau, appointed to fill the vacancy when Dr. Bacon L. Clifton resigned, expire this year as well as those of Councilmen Philip L. Boyd and John Connell.

Mr. Boyd, representing district 3, and Mr. Housman, representing district 7, have indicated they will not be candidates to succeed themselves. Both declared that they could not be here the entire year and Mr. Housman said, that in addition, he had sold his property in district 7 and therefore did not think he should run. He had been approached by residents of the district asking him to run but refused.

FEELINGS IN RACE

Gordon Feelings, well known restaurateur, has announced that he will be a candidate in the district now represented by Mr. Boyd.

Mr. Cutler, representing district 5, has announced that he will be a candidate to succeed himself as has Mr. Therieau, from district 4.

Persistent rumor has had it that Mrs. Billie Lipps would be a candidate from the 7th district.

"It's news to me," she said (Please Turn to Page 7)

Popular Teacher Succumbs

Miss Florence Newberry, well known teacher at the Frances S. Stevens school, died at the age of 61 Saturday morning after suffering a stroke a week before. She failed to regain consciousness after being stricken.

Miss Newberry was much beloved in the Village, having taught here for the past 15 years. She had planned to retire at the end of the current school year.

ACTIVE IN VILLAGE

She was a member of the Woman's club, an active worker in the Welfare and Friendly Aid association, a Church member and a worker in St. Paul's Guild.

She was the daughter of Mr. and Mrs. George Newberry and was born at Lake Geneva, Wis., and was educated and received her teacher's certificate at DeKalb, Ill.

She received further training at Columbia University, New York, U.S.C. and New Jersey state. She came to Palm Springs from Marshfield, Ore., in 1929 and taught in every term since. During this, her last year, she was teaching one hour a day and (Please Turn to Page 7)

Youth, Nabbed Here, Escapes At Riverside

John C. Everson, Jr., of Long Beach, arrested here on charges of burglarizing the homes of two army officers and also on suspicion of passing several worthless checks, enjoyed a few hours of liberty over the week-end—but he's back in custody again now.

Everson fell from his bunk at the county jail and feigned a seriously injured right leg. He was ordered taken to the county hospital and there proved that the bunk injury was the "bunk." For he slipped out of the hospital and made his escape.

IS FOUND SOON

As soon as his absence was discovered, a sheriff's warning was broadcast and the youth was picked up by two deputy sheriffs, attempting to thumb a ride on Magnolia avenue in the county seat.

He was returned to the county jail where he is held in solitary confinement. Everson was certified to the custody of the juvenile court after being arrested here on a bad check charge. At the time of his arrest, articles reported stolen from the home of Lt. Edwin Pollard, 1085 Chaparral road, were found in his possession and after being questioned, is said to have confessed to Chief of Police Lyle J. Sanard and Deputy District Attorney H. M. Dougherty and also to have admitted burglarizing the home of Col. Hans Smetena, 1571 Chaparral road.

FACES CHECK CHARGE

The youth, who gave his age as 17, is specifically charged with getting money and goods for a check, later found worthless, cashed by Ruth Sushan of the Tailored Lady. Police say several other worthless checks may be traced to him.

Village C. of C. Is Now Affiliated With U. S. Chamber

The Palm Springs Chamber of Commerce is now affiliated with the United States Chamber of Commerce. Action to join the national organization was taken at a recent directors' meeting. "Much good will come of this membership," Walter Kofeldt, executive secretary of the Chamber said today. "Besides first-hand information on national affairs as they affect us, it will give us added prestige and more excellent contacts."

Another Class Of Gray Ladies To Graduate

Augmenting the already large number of local women now in volunteer service at Torney General Hospital, 15 prominent Villagers will become members of the Red Cross Hospital and Recreation Corps, known less officially the world over as "Gray Ladies," at a formal ceremony to be held in the Hospital Chapel at 3:30 next Friday afternoon, February 4. The occasion also honors another group of Gray Ladies who have completed a year's duty.

Entrance of the new group into hospital work will bring the number of Gray Ladies serving at the Hospital to forty-five, according to Mrs. Philip L. Boyd, local chairman of the Hospital and Recreation Corps.

Free Rides in Tanks, Armored Cars, Jeeps Offered Bond Buyers

How'd you like to roll along the streets of Palm Springs in a light tank? Or, perhaps, in an armored car? At least, in a jeep. It can be done.

Lt. Col. E. T. Thompson, of Torney General Hospital, member of the Fourth War Loan committee, this week arranged for these rides, courtesy Uncle Sam. All you have to do is to buy the requisite amount in war bonds next Sunday and you'll get the ride. You were going to buy the bonds, anyway.

Col. Thompson announced that six jeeps, two armored trucks and two light tanks, would be in the Village Sunday afternoon between 2 and 4. They will be at the theaters and any purchaser of a \$25 bond at the theater bond booths or the Mobile bond unit, that day, will be entitled to a ride in a jeep.

Any purchaser of a \$50 bond that day will be given a ride in an armored car and any purchaser of a \$100 bond will be entitled to ride in a light tank.

The equipment will be sent to Palm Springs by the 909th ordnance group, to help in boosting the Village's bond total well over its \$400,000 goal.

Campaign to Double Quota Is Under Way

Village Passes \$400,000 Mark In Less Than Six Days; Is Now On Its Way to Top \$800,000; First In Nation Over Top

Six days after Palm Springs officially opened its drive toward a \$400,000 Fourth War Loan goal—the quota was oversubscribed. On Tuesday night, Villagers had lent Uncle Sam \$412,000. With its quota filled in less than a week, Palm Springs, so far as could be learned, was the first community in the nation to go over the top.

Tom Holland, general chairman of the Fourth War Loan drive, now has his eyes set on a new goal. He intends that Palm Springs will be

The first community in the nation to DOUBLE its quota.

And the Village was well along the path toward this new goal today.

HIGH FIGURE REACHED

This morning at 10 a. m., Mr. Holland reported that bond sales in the Village totaled \$450,905.50. Mr. Holland had high praise for the various branches of the drive which were conducting the drive under his direction. The high school students had taken hold of their door-to-door drive with a vim and were proving high-class salesmen.

"People at first hesitated a little about buying a big bond from a youngster," said Mr. Holland. "But now they know that these kids are working on their first big assignment from Uncle Sam and they are treating them accordingly. The high school lads and girls are doing a real job toward the war effort and the greatest praise is due them."

LONE BOND CAMPAIGN

He also had high praise for Henry Weinberger, who was conducting a lone bond salesman campaign and bringing in remarkable results.

The retail committee, under chairmanship of Larry Schultz, and numbering Merrill Crockett, Herb Samson, John R. E. Chaffey, Joe Felix and Harris Posey was also turning in gratifying reports.

ALL UNITS AID

The Mobile unit, at which Mrs. Charlotte Reeb, of New York City, a visitor in Palm Springs, is in charge, has been on the job before the Plaza and Palm Springs theaters each day from 10 a. m., to midnight, and has (Please Turn to Page 12)

Students Set Speedy Pace In Bond Sales

By MARGARET WALKER

After only six days as bond salesmen, students at P.S.H.S. have reached the grand total of \$47,000 on their quota of \$150,000 to be raised through a canvass of the residential districts.

Palm Springs is divided into twenty districts, with one key student heading each five districts. Under this person the salesmen work. Gloria Bruce, Bob Hoover, Bob Lienau, and Nick Mutascio are heads for the several districts. Helen Louise Williams is at the head of the drive for the school as a whole.

ENTHUSIASM HIGH

In order to create more enthusiasm, prizes are being given to the three individuals who sell the highest number of Bonds.

One hundred points are given for each bond sold and additional points are given according to the denomination of the bonds.

Leading Wednesday were Bob Hoover with 20,725 points, Barbara Dodds with 9,831, and Robert Hillery with 5,081 points. There is also class competition going on in the school.

SOPHS IN LEAD

The Sophomore class is in the lead with 38,183 points; the Freshman class is second with 20,264 points; the Juniors, third with 6,000, and the Seniors last with 3,456.

It takes 500 points to be a P.F.C. in this bond selling campaign. From there every 500 points earned, advances the salesman one rank. There is one Four-Star General. This honor belongs at present to Bob Hoover.

Students report to Henry Greeley that they are going over their quota before February 15.

Price Panel Will Meet Wednesdays At Ration Office

Price panel of the Palm Springs War Price and Rationing board, composed of George B. Davis, Katherine Finchy, Reina Kofeldt and Lloyd Simon, chairman, will meet each Wednesday morning between the hours of 10 and 11 a. m., to hear and review all price complaints and answer questions concerning price ceilings, it was announced this week. The meetings will be held at the ration board headquarters, 622 North Palm Canyon drive.

Los Compadres Plan Parade, Gymkhana, To Aid Loan Drive

Los Compadres club will do its share in boosting the Palm Springs fourth war loan total next Sunday when they sponsor a parade, Kangaroo court and a Gymkhana, the sole goal of which will be the sale of U. S. war bonds to further the speedy end of the war.

President Hershel Mosely of the club announced that the parade would start Sunday afternoon at one o'clock at the corner of Ramon road and Palm Canyon drive, proceed east to Sunrise way and then north to Rogers ranch.

Miss Delano Feted At Bridal Shower Given At Riverside

Miss Katherine Delano, daughter of Mr. and Mrs. Philip A. Delano, was feted at a delightful bridal shower at Riverside last week in honor of her approaching marriage to S/Sgt. Glenn Hippenstiel, it was announced.

Mr. Delano, prominent in Riverside and San Bernardino, is one of the new owners of the Palm Springs Drug and Import company, having bought the business with John Archibald last month.

The party was given at the home of Miss Barbara Britsch.

Miss Delano and her fiancé, son of Mr. and Mrs. C. F. Hippenstiel of San Bernardino, plan their marriage on February 3.

Wedding bells, white satin streamers, white tapers, violets and narcissi were used in decorating the refreshment table at which a three-tier wedding cake occupied the place of honor.

Mrs. Blanch Bagnall Is Guest In Mexico

Mrs. Blanche Bagnall, well known Palm Springs winter visitor, and recently feted at many delightful affairs here, is in Mexico City, the house guest of Mrs. Lopez Figueroa of the Mexican capital who has been visiting in the Los Angeles area.

Mrs. Bagnall and Mrs. Figueroa were honored at a party here by Mrs. Anita Walton before they boarded a plane for Mexico City.

Joe Omlin, Jr. And Oregon Girl Are Married In North

Mr. and Mrs. Joe Omlin announced this week that their son, Joseph D. Omlin, Jr., and Miss Rhoda Jean Byram of Gold Beach, Oregon, were married last Saturday in the Oregon city in the Catholic church there, said to be the smallest Catholic church in the world.

Joe, Jr., is in the coast guard and has been in the service for a year and a half. He is well known here, his family being residents of the Village for the past 17 years.

Shortly after he enlisted, Omlin was sent to the northwest for training and then transferred to Gold Beach where he met his bride. They will make their home in the northwest for the duration.

On the day of his wedding, he received word of the receipt of his rating as coxswain.

Mrs. Anita Walton Entertains For Her House Guests

Mrs. Anita Walton was hostess at a delightful patio luncheon in honor of her house guests, Miss Claire Windsor, Mr. and Mrs. Arthur G. Westermack and George Holmberg and his daughter, Elizabeth. Mr. Holmberg and his daughter arrived last week from Minneapolis for an extended stay in the Village. They have been widely entertained since their arrival here.

Mrs. Upham Bigelow also entertained for the Minneapolis visitors at a cocktail-buffet party in their honor at her exquisite new desert home.

Noted Speaker to Address Club At Session On Feb. 7

A most interesting speaker, and a man with a story to tell, will mark the meeting of the Woman's Club on Feb. 7, Mrs. William A. Lippman, president of the club, said today.

Col. William J. Fox, United States Marine Corps, who built the air strip on Guadalcanal, and who, earlier in the war, was a visitor in Palm Springs on USMC business, will be the speaker.

The meeting is open to all at \$1.10 and Mrs. Lippman expects to see many men in the audience that day. It is also the opening gun in the Red Cross drive.

Mr. and Mrs. F. P. Clatworthy and daughters Helen and Barbara Farr, have returned to Palm Springs for the season and have re-opened their home at 698 West Ramon road.

County Federation of Women's Clubs Meets Here Monday

Palm Springs Woman's club, Mrs. William A. Lippman, president, was prepared today to play host to the Riverside county meeting of the California Federation of Women's clubs next Monday in an all-day session at the club house, 314 South Cahuilla road.

Morning and afternoon sessions will be held with a luncheon at the Desert Inn at noon. Reservations indicate there will probably be 70 women at the luncheon.

PRESIDENT COMING

Mrs. Earl B. Shoemith, president of the California state federation, will be the principal speaker of the day and will address the assembled delegates at the afternoon session.

The morning session will be called at 10 o'clock and Mrs. A. G. Kieser will lead the Moment of Meditation, the theme of which will be "Hope." Mrs. S. K. McKenzie will lead in the pledge of allegiance and Mrs. D. H. Becker in assembly singing.

Greetings to the delegates will be given by Mrs. Lippman and the response will be by Mrs. E. A. Henderson. Business and reports will follow.

ADDRESS BY MINISTER

The address of the morning session will be delivered by Dr. J. R. Macartney, pastor of Community Church, who will talk on "Biblical Inspiration for Present-Day Problems."

The afternoon session will start at 1:30 o'clock and will open with musical program arranged by the Palm Springs club. Mrs. Shoemith's talk will follow.

Mrs. Alexander Holland is president of the county federation and Mrs. F. B. Dozier, corresponding secretary.

Mrs. Lippman invited all women to attend the morning and afternoon sessions. Reservations for the luncheon are closed.

Alvin L. Miller Of Detroit Guest Of R. H. Millers

Alvin L. Miller, president of the Miller Tool Manufacturing company of Detroit, Mich., arrived in Palm Springs last week to visit his brother and sister-in-law, Mr. and Mrs. Russell H. Miller of 312 Via del Sol. He plans to spend the remainder of the season here. Mr. Miller has been head of the Detroit firm for the past 30 years and is now engaged in manufacturing tools for war industries.

It is his first visit to Palm Springs and he is much impressed by the Village.

Navy Man And Bride On Honeymoon Here

Guests at the Desert Inn this week were Lt. Dale Groom, medical corps U.S.N.R., of Cleveland, Ohio, and Mrs. Groom, the former Marjorie Tweed of Lake Forest, Ill., who were married Wednesday in Los Angeles. They came to Palm Springs immediately after the ceremony and later departed for New York on a honeymoon trip.

St. Paul's Guild Plans Silver Tea

A silver tea is planned for the afternoon of Tuesday, February 22, at the home of Mrs. Emil Wagner, 591 North Belardo road. The affair will be given by the Women's Guild of St. Paul's in the Desert, and all friends of the church are cordially invited to attend.

Mr. and Mrs. James Sheheen of Palm Springs have returned from a visit with Mrs. Eula Morgan in Hollywood. Mrs. Morgan played the role of the miller's mother in the picture, "The Song of Bernadette."

Miss Edith Bush was honored at a luncheon party this week at the Desert Inn at which Mrs. James H. G. entertained a number of guests.

Excellent Tennis Being Exhibited At Racquet Club

Some excellent tennis has featured the courts at the Racquet club in the past few days with Jo Sawyer, the professional from Ripps Tennis club in New York city, busy playing with Paul Lukas, Mr. and Mrs. Gary Cooper, Col. William Wyler and Lucien Vandelick.

Mrs. Howard Lang and Mrs. Martin Weil have been taking daily lessons from Mr. Sawyer and find their game much improved.

Among others, now guests at the Racquet club, Mrs. Russell Havenstite and her daughter, Phyllis, from Beverly Hills, are enjoying a desert rest in the Village.

Mrs. James Arkell, who has been entertaining at her beautiful ranch, La Finca de Esteranda, near Indio, was a hostess at the weekly dinner dance Saturday evening. Her guests were Gen. and Mrs. Alexander Patch, Col. and Mrs. W. Straus, Col. and Mrs. John Guthrie, Col. and Mrs. Arthur White and Captain John Warner.

The weekly dinner dances at the club have gained steadily in popularity and each Saturday night finds a gay mixture of army, navy, Hollywood and society, partaking.

Old Time Western Welcome Presented Midwest Visitors

It was a typical old-time Palm Springs welcome that George Holmberg, vice-president and treasurer of the Northwestern Insurance company of Minneapolis, and his charming daughter, Elizabeth, received when they arrived at the Palm Springs depot for an extended stay.

They were greeted at the depot by a host of Village friends, attired in western costumes, but that wasn't all.

On their way to the Village from the depot they were waylaid by armed horsemen and "held up" in old style western manner. Kidnaped by the highwaymen, they were loaded on a stage coach and taken to the Trav Rogers ranch where more friends awaited them and they were feted at a merry party.

Following the welcoming affair, all proceeded to the home of Mrs. Anita Walton, where Mr. Holmberg and his daughter will be house guests, for a buffet supper. Here they met many other Villagers, winter residents and army officers who made their arrival day in Palm Springs a happy one.

Mrs. Philip Horton Luncheon Hostess For Florida Guests

Mrs. Philip Horton, Jr., was hostess at a luncheon in the De Anza room of the Desert Inn, honoring Mrs. J. Challiss and Mrs. Tainter of Fort Lauderdale, Fla., this week.

Guests of Mrs. Horton were Mrs. Arthur Challiss of Seattle, Mrs. F. F. Tainter, Mrs. Harry Twaddle, wife of Gen. Twaddle of the 90th division, Mrs. Harold Hays, Mrs. C. H. McKey, Mrs. Garland Wilson, Mrs. James Lakin, Mrs. John Ringle, Mrs. William McCormick, Mrs. Kelvin Hunter.

Mr. and Mrs. Sam G. Alschuler of Chicago, are guests at the home of Mr. and Mrs. Ernest Alschuler, 421 Santa Rosa drive. Mr. Sam Alschuler is in the water cooler service business in Chicago.

Plans For Dessert Bridge At Woman's Club Progressing

Plans for the dessert bridge to be held Monday, February 14, at the Woman's club house are progressing well, according to Mrs. H. Bedford-Jones, chairman of the committee in charge.

Dessert will be served at 2 o'clock, and will be followed by an afternoon of cards. The affair is open to the public, and a large attendance is anticipated. Reservations may be made in advance with Mrs. Bedford-Jones or with Miss Teresa Fields. Table prizes will be given, and a war bond will be the door prize.

Tickets are for sale by members of the committee, Mrs. Bedford-Jones, Miss Fields, Mrs. Upham Bigelow, Mrs. Raymond Cree, Mrs. Archie Linkletter and Mrs. Armand Turonnet.

Plans Completed For Dance To Be Given February 8

Plans were being completed today for the dance to be given a week from next Tuesday, Feb. 8, at the Palm Springs Roller Rink as a benefit for the Field Club recreation program.

Spoons' orchestra will play for the dance, R. H. Bennett, Field Club director said, and there will be prizes for the best jitterbuggers and best rhumba dancers.

No prizes will be given for the best square dancing couple as the square dancers said they just wanted to have fun, unmarred by competition.

Funds realized from the dance will go toward buying equipment for athletic events at the Field Club grounds.

Masons to Pay For Soldiers' Newspapers

Palm Springs Masons voted this week to pay to have their home-town paper sent to any Village boys in overseas service, providing the boys request the paper.

The government last year ruled that no free papers could be sent overseas and that paid subscriptions must be requested by the boys.

State Income Tax Man Here Feb. 28

Word was received by City Clerk Louise E. McCarn Monday that a representative of the state franchise tax office will be in Palm Springs February 28 to assist Villagers in the preparation of their state income tax forms and to accept payments.

He will be at the city council chambers, 810 North Palm Canyon Drive.

Final Green Stamp Issue From Book 4 Effective Tuesday

Will Open Branch Income Tax Office Here March 9 to 15

Final issue of Green ration stamps for processed foods from Book 4 becomes effective next Tuesday, it was announced at the war price and rationing office this week.

Stamps K, L and M, in effect Feb. 1, will be good until March 20. On Feb. 27 the new token system goes into effect and blue stamps A8, B8, D8 and E8 go into effect, each good for 10 points, and are good until May 20. Blue tokens will be given in change for these stamps.

The green stamps, in effect Tuesday, carry values as now, 8, 5, 2 and 1 points. Since they run out before the new series of blue stamps, they should be used first, board members said.

Between Feb. 27 and March 20, the green stamps may be used in combination with the blue stamps and blue tokens will be given in change for both kinds.

Brown stamp W, Book 3, becomes effective for meat purchases Sunday and expires Feb. 26. Brown stamps R, S, T and U, now in effect, run out tomorrow. Stamp V, effective last Sunday, is good until Feb. 26.

Prominent Detroit Manufacturer and Wife Guests Here

E. H. Walker, president of the Walker Machinery company of Detroit, Mrs. Walker and their granddaughter, Suzanne Harper, are guests at the Desert Inn. They have been in the Village two weeks and plan to remain two weeks more before going to Los Angeles, Beverly Hills and other southland points before returning to their Michigan home.

Mrs. Walker is the originator of Royal Rummy, a card game which has taken eastern circles by storm.

It is their first visit to Palm Springs, having spent previous winters in Florida.

In the Know With the USO

by ELOISE HIRT

We said last week that our birthday is February 4th. Now anybody will admit that aside from Christmas there isn't a day in the year that's as important as his own birthday; it's a time when you can very properly and without any apology, take a long look at yourself and talk about yourself. People will always listen, too, knowing of course that they don't have to submit to the ordeal again for another 365 days.

For a three-year old we have a lot to talk about. We wonder if the great grandfather of all rabbits was any more surprised at the speed with which his family multiplied than are the presidents of the six service agencies who sat around a luncheon table with the army, navy and government representatives on February 4th, 1941, to create us, your United Service Organization. On that day USO was only a hope in the hearts of a handful of men and women, today we are a great sprawling chain of units known the world around and thirty million men and women in uniform are passing through our doors every month and saying "Thanks, America, for the USO."

COME ON UP

We're going to take it for granted that you all know what goes on up on Tamarisk Road at Joe Schenck's place where the USO sign leaps into your headlights from behind the pepper tree. If you haven't quite caught up on us there, here's the 21st invitation in as many weeks. Come on in any time.

You've all seen the Sun and Sand Caravan girls on the weekends, cycling, walking, horseback riding, swimming and dancing with the desert area troops. Twenty-three towns take turns sending out the weekly caravan now. The girls love it. "Heck, I don't see how I can call this contributing to the war effort," said one. "I'm having too much fun." Is anything sweeter than a satisfied customer. Obviously, the answer is "No." We purred like a pussy cat last Sunday as we eavesdropped on Sun and Sand girls during dinner at the Stevens School Cafeteria, Compton girls who made up last week's house party. "Why the meals alone are worth \$3.50," exclaimed one ravenous young lady just returned from a horseback trip with a group of service men, "and when you add the dance and all the things there are to do at the USO Club—well, it beats any country club membership I ever heard about."

EXCITING SERVICE

Last week you saw a whole fleet of Mobile Service trucks with the USO flag on their doors, parked around the Village for two days—come to think of it, maybe you don't know what goes on in those trucks, but you're part owner of them if you contributed to the War Chest, so you ought to take a look.

They're our most exciting service, really. A USO Club on wheels. Inside they've got practically everything but the boys: movie projectors, loud speakers, record players, microphones, stationery, books, cigarettes, candy. And that's not all—there's a kitchen. The Mobile staff has to be able to whip up a batch of doughnuts way out there on the edge of some sand dune. And of course, there's coffee and cocoa and tea. There's a sports field stored away in the truck, too, baseball, basketball, badminton outfits, with table games on the side, of course, and mild gambling games—have you ever seen a thousand men sitting in on the same bingo game? Well, hook a ride with the next Mobile USO truck you spot careening through the Village and see what astonishing things are being done for men on isolated duty.

No little group of guards at some bridge or pass is too small for the attention of the Mobile staff. Many a movie has been put on for an audience of less than six, many a mile has been driven to leave a single book requested on some earlier trip.

SOME OF BIGGEST

Unless you heard Jack Benny talk at the War Chest Rally, you're probably quite a stranger to USO Camp Shows. A Camp Show is something to which civilians are NOT invited. It's a top ranking professional entertainment, boasting now the biggest names of stage, screen and radio, presented to the men on army posts, on battlefields, and darn near on battlefields. Camp Shows is the only arm of USO that has reached outside the Western Hemisphere, it circles the globe. You can easily imagine what it has meant to the boys you know in the jungles of New Guinea or the mountains of Italy or the pinpoints of the Aleutians, to have

been visited by their favorite stage and movie stars.

"Live movies," the boys call them! Forty percent of Camp Shows' money carried stars to just such scenes last year. Today there are 58 Camp Show units giving the men overseas a laugh while the big guns and the bomb-ers provide a distant obligato. Here at home ninety Camp Show units are touring the military posts and naval bases. It's small wonder that Jack Benny spoke as if Camp Shows is the whole SHOW in USO! It's not a poor accomplishment for a three-year old, is it?

BELONG TO YOU

Don't call us a braggart young upstart, because actually we belong to you. Without your generous contributions, USO still would be only a faint "hope in the minds of a handful of men and women." You made all our services possible. So the column today is sort of an annual report, but only a partial one. And we add an urgent invitation for you to come into the Club during our birthday week to say Happy Birthday in person as you have said it with your dollars in the recent War Chest campaign. Especially, we invite you to join us at the Saturday night dance and songfest in the Stevens School. And be sure to save the sunset hour on Sunday, February 6th, for a concert at the Club, planned by the soldiers just for you—their way of saying "Thank you, America, for the USO."

On Friday, February 4, 1944, USO will mark the third anniversary of its founding.

Within three brief years this great national organization has established itself as the guardian of the off-duty welfare and recreation of the men and women in our armed forces, and has set a shining example of inter-faith cooperation in a war-torn world.

Three years ago six agencies of repute in the religious and recreation fields—the YMCA, the National Catholic Community Service, the Salvation Army, the YWCA, the Jewish Welfare Board and the National Travelers Aid Association—set out upon an uncharted voyage. To bring together in one organization representatives of the three great faiths, people of all races and every creed and color, for a

Just One Week to Get New Stickers At Original Cost

One week to go—or that license sticker will cost you \$6 instead of \$3 and the vehicle license fee will be 50 percent more than it will be if paid now.

Deadline for renewal of motor vehicle registration for 1944 falls at midnight next Friday, Feb. 4. Registration fees double after that date and license fees go up by one-half.

Blue and gold stickers for windshields indicating the fee has been paid are being mailed out from Sacramento. The same plates that have served for the past three years will serve another year.

Mail applications may be made to the department of motor vehicles branch at 3500 South Hope street, Los Angeles, (7).

joint service—this was the experiment in democracy which they undertook in creating USO.

Today, USO, standing for United Service Organizations, has a place in the heart of every American who has a son or daughter in uniform. It is a symbol of the love with which the American people stand behind their armed forces.

But to the men and women in uniform, USO, with its dances and parties, its games and classes and infinite small services, its sheer friendliness, is more than a symbol. It is "a home away from home" to which they can go in their leisure hours.

Now a member agency of the National War Fund, USO is no longer an experiment; it is an achievement in democracy.

With close to 3,000 clubs and services it covers the country and the Western Hemisphere. It serves the fighting forces and in certain areas the war production workers behind the lines. It aids the wives and families of men in uniform, the lonely and weary and the hard pressed.

The American people made it, and the whole of America speaks through the USO.

TORNEY GENERAL HOSPITAL EVENTS

By S-Sgt. Russel H. Genich

COL. A. B. JONES URGES SUPPORT OF FOURTH BOND DRIVE

January 19, 1944 marked the opening of the 4th War Loan Drive in Palm Springs. Over 14 billion dollars in bonds must be sold and the Palm Springs quota is over \$400,000.

"It is a privilege for us at home to purchase bonds and it is a tangible way to demonstrate that we are supporting those men who, on the various battle fields, are endangering their very lives in the support of this, their native land. They are willing to make any sacrifices no matter how great; even to death itself, and we can do no less than assure them by active participation in the 4th War Loan Drive that we appreciate their devotion and sacrifice."

"I know I can depend upon each one of you in this undertaking. The greater your participation, the speedier will be our victory and the return of the day when peace on earth will again prevail."

A. B. JONES,
Colonel, MC,
Commanding."

STAGE GALA PARTY

All members of the Torney NCO club were informed of plans for a big monthly Dinner-Dance to be held Thursday evening, January 27, at the club house.

Club proxy Sgt. Charles Tuttle promises a tempting buffet dinner and good dance music.

These monthly dances have consistently gained in popularity, and a large turnout is anticipated.

INFANT EVENTS

Ward A announces four new arrivals during the past week. Infant son to T/4 and Mrs. Joe F. Parker of 81st General Hospital. Infant son to T/5 and Mrs. Edward W. Watkins, enlisted section, Torney General Hospital.

Infant son to Lt. Col. W. L. Nielson, DC, of Torney General

Hospital. Infant son to M/Sgt. and Mrs. John Hoen.

CRAFT PROBLEM POPULAR

A variety of craft work is offered on the daily Red Cross afternoon recreation program. Tools and wood are available for those interested in using hammers and saws. Clay modeling has been revived and any patient wishing to try his hand at modeling ash trays, figures, or other objects, are invited to come to the work shop any afternoon.

A talk on desert oddities will be given in the Recreation Building lounge Monday night, with Chester "Slim" Mooton from the Palm Springs Museum del Desierto as the speaker.

A bunco party is scheduled for Saturday night. Thrills, excitement and prizes are promised those attending.

FLAT FOOT BRIGADE

Lt. Col. Edward T. Thompson, Executive Officer at Torney and the man in charge of the hospital's participation in the Fourth War Loan Drive, was justly proud of our units in the Bond Parade. Not a flat foot in the outfit after it was all over!

NEWS OF NURSES

Tuesday, January 18, 1944, the nurses took an active part in the parade for the Bond Drive in Palm Springs. They did well, considering this certain group had never marched together before, and their usual leader, Lt. McGregor, was ill at the time of the parade. The group of nurses was very good—all lined up correctly—navy blue uniforms, white shirts, black ties, overseas caps, gray gloves and black shoes!

21st FERRYING GROUP NEWS NOTES

Ferrying Division, Air Transport Command, Army Air Field,
Palm Springs, California

By S-Sgt. George Goodale

BROTHER OF AIR BASE WAC KILLED

We extend the deepest of sympathy to Wac private Mary Leonard. She was notified Saturday that her brother, a tail-gunner, was killed overseas. It's regrettable that the telegram telling of his death, sent to another Wac here to give to Mary, had to lie around in her squadron's orderly room for four hours before it was given to the girl to whom it was addressed.

Mary was barely able to catch a plane to Los Angeles to be with her sister so they could telephone their mother. The squadron did give her an overnight pass to do that.

YO-HO AND A YO-YO

The Wacs gave Pvt. Bill Vosburg, of finance, a yo-yo. He does not know how to make one operate but the toy is getting good use anyway. 1st Sgt. Burt Randall is a wizard with it. At least that's what his large audience in the PX the other day claims.

PROP WASH

We wish to publicly say good bye and wish lots of luck to T-Sgt. Powell Richardson, an all-right guy, who has left for parts unknown. . . . Pfc. Pappy Famul-

aro, the tootin' trumpeter, is willing to teach men here how to blow a bugle. . . . That black eye that T/Sgt. John Davidson has, at this writing, brought at least 16 1/2 different versions. . . . There's a Wac private in Oran whose husband is a lieutenant-colonel. . . . Word has been received indicating that Lt. Boyd Van Metre is in India. . . . Maj. John R. Hamilton lifted the morale of his squadron many, many notches when he arranged to eliminate its nighttime drill routine. He rates our thanks. . . . They're calling Cpl. Frances Sganga "Fido" in the mess hall. . . . The unauthorized object Pvt. Mary Colson got giggled for having under her bed was a life-saver mint, but it didn't save her. . . . The Wacs hauled rocks for their squadron area on

Former Villager Spreads Fame of Palm Springs Far

Benton Beckley, former Villager now in San Mateo, was here last week and told of receiving an interesting letter from Joseph Gearin, formerly assistant engineer at the El Mirador hotel.

Gearin, a corporal in the U. S. Army, is now stationed in England.

In his letter, he thanked the Beckleys for a copy of The Desert Sun and said that he had a great time showing it to the other boys in the barracks and bragging about California in general, and Palm Springs in particular.

Armin H. Fritsch, another former Villager, is also now in England according to word to the Beckleys.

Dr. Yu Shan Han to Address Forum Rally Next Week

Dr. Yu Shan Han, B.A., B.D., Ph.D., Professor of Political Science at the University of California at Los Angeles, will be fourth speaker in the current series of free public forum meetings devoted to the theme, "Whither American Idealism in the Postwar World?" He will conduct his forum Thursday evening, February 3, in the Frances Stevens School auditorium. The meeting will start at 7:45.

Dr. Han will deliver an orientation lecture to personnel of Torney General Hospital Thursday afternoon. He will be the second forum speaker to be borrowed in this series for use at the hospital. Count Byron de Prook gave an orientation lecture to officers, patients and enlisted men and women at Torney on January 20. His audience numbered approximately 350.

Dr. Han has served as professor of history and political science at Yenching University, Boston University, and the University of California at Los Angeles. He was for some time Educational Mentor for Chaing Kai-Shek's young nephews. He is well acquainted with the Soong family. For several years he served as Director of the National Association of Mass Education in China.

their day off. . . . Understand the best marksman on the range in the 72nd squadron gets a three-day pass.

HOW TRUE

Our Wac has finally explained why she doesn't ride close to us in our car. She says familiarity breeds contempt.

MEN, MAIDS AND STUFF

M/Sgt. John Horn is the proud father of a baby boy. Mrs. Horn is doing well and they call the infant Richard Allen.

Donna Uzelac is the commanding officer's secretary, but she's wearing someone's crossed-guns insignia. And Boots Johnson, secretary to Lt. Louis Bardell, is wearing a marine's insignia. Treason! Quite a looker, this Miss Johnson. She was formerly a secretary in the Montana state legislature.

M/Sgt. Jimmy Wotring was sewing on blouse buttons in the Wac dayroom the other night. And the blouse belonged to Cpl. Della Hodson. But if the buttons don't stay on any better than the chevrons she sewed on his shirt, she's liable to have an open front when she pops to attention.

FEELINGS HELPS

When Gordon Feelings was in the army, he ran the officers' mess at La Paz. Now that it's being re-opened, he helped Capt. Robert Hudson and CWO Frederick Rosenor get the necessary stuff to do it. Incidentally, Gordon's running for the Palm Springs city council from a district where many of this post live.

A marriage license was issued last Friday to Robert C. Kitchen, 23, and Billie Ruth Thornton, 20, both of Palm Springs.

Pay Telephone Bills before the 10th and receive your discount.

George E. Oliver On East Coast For Officers' Training

Mr. and Mrs. George T. Oliver went to Indio Sunday night to say good-bye to their son, George E. Oliver, who was enroute east by train for St. Petersburg, Fla., to enter the U. S. Maritime service officers' school.

Mr. Oliver, who is well known in the Village and who for years was at the Oasis hotel, has been at Catalina for the past few weeks. He was recently ordered to Officers' School and notified his parents here to be at the depot.

Mr. and Mrs. Oliver had a 20-minute talk with him at the Indio depot.

R. L. Slack, well known Villager, has been discharged from the army, in which he held the rank of sergeant, and is now in Estes Park, Colorado, according to word received here this week.

Palm Springs Boys, Both In Navy, Meet In South Sea Port

Two Palm Springs boys who enlisted in the U. S. Navy at the same time and who trained together, met each other for the first time since leaving "boot camp" 18 months ago, in a south Pacific port.

They had a delightful time talking over high school days in Palm Springs and their experiences in the Navy since parting after training.

Monett Hamilton, M.M.2/c and Harry Harlow, Jr., A.M.M.2/c, found that their ships were in the same force, when they ran on to each other in the south Pacific port but other details of their meeting were blocked out by the censor.

As a Marine, the most important and inspiring job of your life lies ahead. The achievements of your organization are written, and are being written, on history's most glorious pages.

Your Country and the Marines need you, and this is a challenge to your highest ideals of womanhood. Pay is good, even compared with high civilian wages. Lodging, food, travel expenses and handsome uniforms (\$200 to \$250 worth) are included.

If you're not already working on a war job, call, 'phone or write the nearest Marine Recruiting Office.

THE MARINES, TOO, DEPEND ON GREYHOUND

Like men and women in all branches of the armed forces, the Marine Corps Women's Reserve depends on Greyhound for transportation. Greyhound buses serve Camp Elliott, San Diego, and other Marine training centers, as well as Marine bases from coast to coast. Other special services are also performed by Greyhound, often on a moment's notice. For example, buses are often requisitioned from regular schedules to transfer wounded between hospitals. In spite of shortages of buses and experienced personnel, the whole Greyhound organization is concentrating its efforts and resources to provide adequate transportation for all who must travel.

Plans Inaugurated For Easter Sunday Sunrise Services

Plans were started this week by Dr. J. R. Macartney, pastor of the Community church, and his committee heads, for the annual Easter Sunrise service, to be held this year on April 9.
Mrs. Holly Lash Visel was in Los Angeles this week selecting music for the event and will have two large church choirs as well as singers from army installations here and local groups in rehearsal soon. Howard Ames is making arrangements for the white doves which will be released, as is the custom each Easter, at sunrise.

Powerful Picture To Be Shown Next Sunday at Church

The picture to be presented next Sunday night at the Community church is entitled "The Man at the Gate," Dr. J. R. Macartney, pastor, said this week.
"It is a powerful picture of tragic martyrdom, of the maelstrom of war," said Dr. Macartney. "And it is a story of faith restored, a powerful and timely lesson to those who have let their faith be shaken."

CHRISTIAN SCIENCE CHURCHES
"Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God." This verse from 1 John will be the Golden Text in the Sunday Lesson-Sermon on "Love" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.
A Bible citation from Acts tells of Paul's experience when shipwrecked on Melita. The account relates that "when Paul had gathered a bundle of sticks, and laid them on the fire, there came a viper out of the heat, and fastened on his hand." The barbarians thought him a murderer "whom, though he hath escaped the sea, yet vengeance suffereth not to live." When Paul "shook off the beast into the fire, and felt no harm" they "changed their minds, and said that he was a god." Afterward Paul healed "the father of Publius," who "lay sick of a fever and . . . others also, . . . came, and were healed."
Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "The divine Love, which made harmless the poisonous viper, which delivered men from the boiling oil, from the fiery furnace, from the jaws of the lion, can heal the sick in every age and triumph over sin and death."

Name Dr. Macartney As Delegate From County Presbytery

Dr. J. R. Macartney, pastor of the Palm Springs Community church, was designated as delegate from the Riverside Presbytery to attend the meeting of the General Assembly of the Presbyterian church to be held in Chicago next May, at a meeting of the Presbytery held at Beaumont this week.
The Rev. C. S. Polthemus of Colton presided at the meeting and the devotional message was delivered by Dr. Macartney.
A large number of delegates from Riverside and San Bernardino counties attended the sessions.

Episcopal Church Vicar Returns From Church Convention

The Rev. Robert M. Hogarth, Vicar of St. Paul's in the Desert, attended the annual convention of the Episcopal Church in the Diocese of Los Angeles in St. Paul's Cathedral on Wednesday.
This meeting during wartime has been streamlined and compressed into the space of one day, and yet the attendance was better than ever before.
Palm Springs was in the Bishop's report as the recipient of a large new gift of building land.

World Traveler Is Speaker Before Community Circle

Miss Henrietta C. Mears, world traveler, author and Director of Religious Education in the First Presbyterian church of Hollywood, was guest speaker when the Community Church Circle met Tuesday afternoon at the home of Mrs. John G. Hormel on Prescott drive.
More than fifty were present, many of them members of Dr. J. R. Macartney's Bible Class, studying the Scripture Panorama of the Bible, which was prepared by Miss Mears. They were held by her enthusiasm and dynamic personality as she gave a panorama of the western hemisphere.

TRIP DESCRIBED
Leaving Los Angeles by plane, more than twenty three thousand miles were traversed and highlights of this trip was the basis for her address.
The vistas of the mountains, the magnificence of the cities, the exotic fragrance and beauty of the flowers with orchids and gardenias in profusion, were the background for the picture in which men and women of the southern hemisphere, some of high but the greater percentage of low estate, moved. But the central figure of this picture as presented by Miss Mears was the "living Christ", their need of Him, the security found in Him and the hope that is in Him. A tribute was paid to the Missionaries who are taking this message to all parts of the world where the speaker has visited.

SOCIAL HOUR FOLLOWS
A delightful social hour followed and Mrs. Holly Lash Visel delighted with a group of three songs accompanied by Mrs. Lois Lux.
Mrs. Hormel was assisted in receiving by her daughter, Mrs. Hopper of Hollywood and in serving by several of the church group.
Among those present were Mmes. William Lippman, J. S. Jenkins, Mace, Zangerle, Marmion, Spencer, Hayward, Ostrander, Davies, Hodges, McBeth, Brainard, Greenwalt, Wolff, Jenner, Blackerby, Friedheim, Coble, Pinckney, Illick, Tutt, Russell, Pearce, Lux, Culls, Kofeldt, Haugh, Robinson, Nicholson, McClure, Sprague, Pierce, Crawford, Clatworthy, Carman, Travis, Patterson, Hennes, Lois Lux, Visel, Barr, Petrova, Macartney and the Misses Khury, Elsa Kofeldt, Ruth Pinckney, Breese, Jones, Lamb, and Mr. and Mrs. Fuller.

Among marriage licenses issued Tuesday at Riverside court house was one to M. V. Cela, 22, and Aurelia Herrera, 21, both of Palm Springs.

St. Paul's Guild In Active Session At Kanaga Home

Guild of St. Paul's in the Desert met Tuesday at the home of Mrs. Eber D. Kanaga with many busy workers engaged in sewing during the afternoon.

Mrs. John S. Hobson, president, conducted the business meeting at which future plans were discussed especially the tea to be held Feb. 22 at the home of Mrs. Emil Wagner, 591 North Belardo road. The chairman is Mrs. Will Browne.

Mrs. Raymond Wilson, honorary president, thanked the officers and members of the Guild for their loyal support during her term of office.

The next meeting of the Guild will be held Tuesday, Feb. 8, at the home of Mrs. Hobson, 429 Camino del Sur. Mrs. Myron V. Wilson will be the hostess.

James Kubic Here With Noted Guests

In Palm Springs last Sunday, combining business and pleasure, was James C. Kubic, accompanied by Fred Pogi, manager of the Del Mar Aircraft division, and Miss Ina Pould, graduate from the Academie D'Orthopedie, Paris, France.
Kubic, long known as the "Grapefruit King" of Coachella valley, said his son, Bill, graduated last week from the naval academy at New London, Conn.

Active Membership In Church Will Be Topic Next Sunday

Rev. Robert M. Hogarth, Vicar of St. Paul's in the Desert, Episcopal church, will preach Sunday morning, January 30, the Fourth Sunday after Epiphany, on "Active Church Membership," the second in the series of sermons in preparation for confirmation.

In the evening at seven he will address the young people on the ancient Christian virtue of "Jealousy" which in modern times has taken on the meaning of bitter vindictiveness against others. Derived from the Latin "zelus," it meant zeal or emulation for the good. So in the second commandment: "for I the Lord thy God am a jealous God"; and so said the prophet Elijah, "I have been very jealous for the Lord God of Hosts."

Gordon Nicholson, Jr. Visitor On Furlough

Private Gordon R. Nicholson, son of Mr. and Mrs. Gordon D. Nicholson, was in Palm Springs recently on a 12-day furlough.
He has completed his basic training at Camp Hood, Texas, and graduated fifth highest from Clerks' school there.
Before being inducted into the Army last August, he was attending Pomona College.
He is now at Monterey, Calif., awaiting further orders.

PURSE TO SUN; CASEY IS BACK;
MANAGER HAS WOES

Soon after the Desert Sun came out last week, one of our advertisers called and said: "Please cancel my two ads in the classified page. I sold my linoleum and found a fine maid, all within one hour. Your paper is fine. It sure gets results." Yes sir, it does at that.

Old Diogenes can put out his lantern and go back to his slumbers or elsewhere in his quest for honest men. We have them in Palm Springs. A lady lost her purse. In distress she came to our office and placed a want ad for the next issue of the paper. Soon after that a young service man with "a bit of a brogue" and a face as honest as the sun, brought in the purse to our department: "Shure, if I'd lost a purse it would be the newspaper office I would be going to advertise for it," he beamed.

Let me tell you about Casey—the all-black spaniel that wears a green collar. When Casey is a good dog he is called by his right name—Casson. When he is bad he is just plain Casey. He went away last week and returned of his own accord—after the paper came out telling of his absence, believe it or not. Wagging his tail and wearing a broad grin—you could almost hear him say—"Go on, call me Casey!"

Someday I am going to write a thesis on the woes and worries of a classified department manager. Last week—for no reason at all—a few words became misplaced from a want ad which should have read: "Trailer for sale or rent, also... cabana. Call after 5 p. m." The last five words ran away—somehow—and appeared above the line. There they stood like a sore thumb for all to see—"Cabana, after 5 p. m." You wouldn't believe five tiny words could be so conspicuous.

"Say," came a pleasant voice over the phone. "What is going on at the Cabana after 5 p. m.?" (As if we wouldn't like to know!) "Your paper sure gets read. I've had more calls than I can count about that blind date."

O, woe is me... some day I'm going to find out what goes on at the Cabana after 5 p. m.

See you later.

HOW TO FIND YOUR AD----

LITTLE WANT ADS save time, trouble and expense. They are mighty little pathfinders to business and they cost only a mite. As an aid to displaying advertising they help to bring direct results.

To find the item you are looking for in this index follow the ads down till you come to the classification number shown in the index. All classifications are numbered and appear on the page in numerical order.

will be presented by Col. A. B.
Jones, Commanding Officer of
the Hospital, who has invited all
interested townspeople to attend.
Entrance will be through the
Tachevah Avenue gate and guests
will be permitted to drive into
the Hospital grounds. Col. Jones
has extended an invitation to all
Post personnel not on duty.

The traditional ceremony will
be opened with an Invocation by
Lt. Col. George Pearson, Post
Chaplain. A short introductory
talk on the work of the Gray
Ladies will be given by Miss
Ellen Pangle, executive secretary
of the Riverside Chapter of the
Red Cross and then certificates
will be awarded by Col. Jones.
Graduates will be presented for
acceptance to Lt. Col. E. T.
Thompson, executive officer of
the Post, by Miss Vera Wilkeson,
field director in charge of all Red
Cross activities at the Hospital.

Seat In Victory Section For Bond Buyers At Theaters

From now until the end of the
Fourth War Loan drive on Feb-
ruary 15, any person buying war
bonds at the Theater Bond Of-
fice will be given a free ticket
to the Plaza theater, good on the
evening of the day the bond is
purchased.

Manager George Strebe of the
Plaza announced the plan this
week. He has set aside a block
of seats known as the "Victory
Section." Each day's purchasers
of bonds at the theater bond of-
fice will be given a reserved seat
in that section that evening.

Portogee Joe Puts Pen to Good Use

Elsewhere in this issue appears
a cartoon drawn by Joe (Portogee
Joe) Felix of the Waikiki, his
personal appeal to Villagers to
aid in the Fourth War Loan
drive by buying bonds—and then
some more bonds.

It depicts a bomb labelled
"Fourth War Loan" smacking the
Jap octopus.

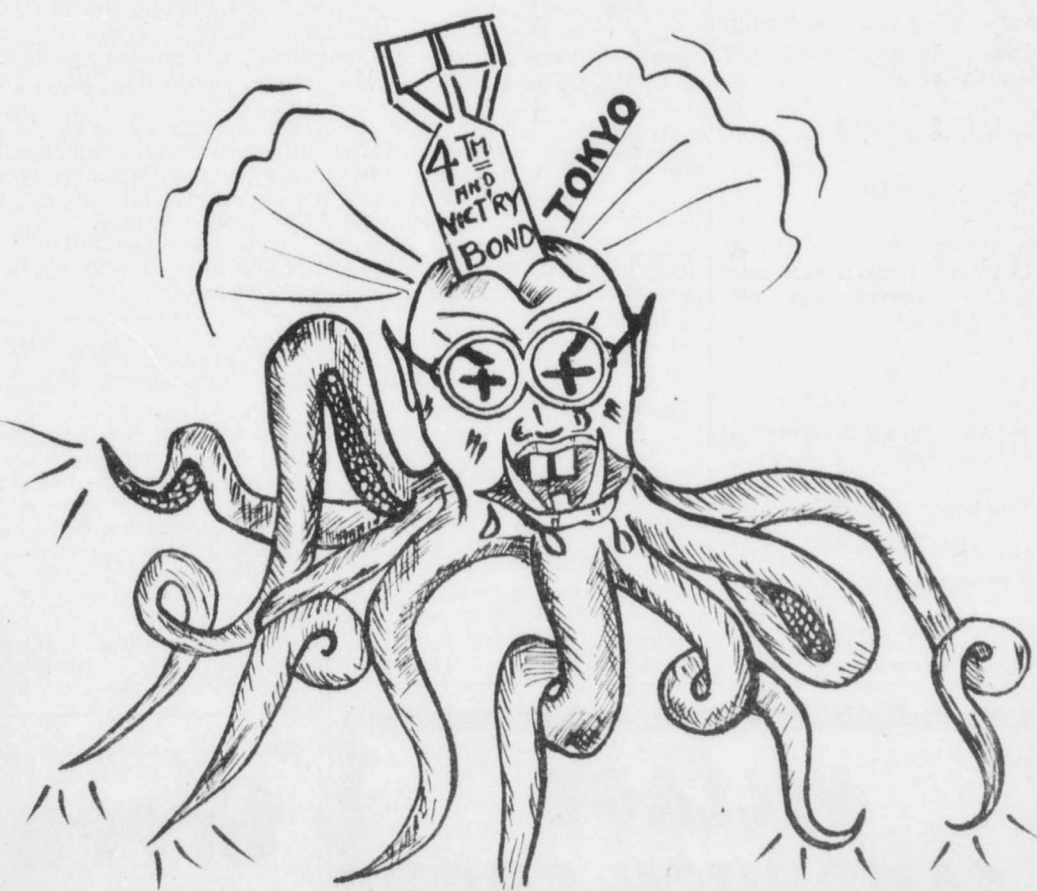

"Success of this War Loan drive
will really make the Jap say
"Uncle," said Portogee Joe, a
member of the retail section bond
team which has sold thousands of
bonds during the current drive.

The Bomb That Hits The Spot

The above cartoon was created and drawn by Felix—
Portogee Joe. It especially emphasizes his appeal to his
friends and the public to aid the Treasury Department and the
local war loan committees in the present 4th War Loan
campaign.

Joe says—"Buy bonds and buy till it hurts and it won't hurt
you half as much as it hurts the boy who is wounded up at the
front."

You can give Joe your order for bonds. He is an authorized
agent and Joe also says if you don't see him at the Waikiki,
then phone 9000, or his residence 8492, or stop him on the
street. Joe will hold up anything, even his own speed, to sell
you a war bond.

Village Air Base Quintet Defeats Long Beach, 48-39

Basketball team from the 21st Ferrying Group made its bow in inter-post competition at the air base court here and made it a good one. The quintet from the Village air base defeated the 6th Ferrying Group five 48 to 39 in a fast game.

The Long Beach five had recently defeated UCLA and got away to an early lead over the 21st cagers. But the local outfit soon lost its nervousness and went ahead to lead at half-time, 25 to 21, increasing their margin steadily in the last half.

A re-match has been arranged between the two teams to be played at Long Beach tomorrow night.

Girls Basketball League Play Will Start Next Month

Play in the Girls' Basketball league will start in the middle of February, R. H. Bennett, Field Club director, said this week. Postponement of the opening date was decided when the girls asked for more time to get in practice for the start of play.

Teams now preparing for the start of play include one from the Wacs at the air base, one from the Torney General Hospital Nurses, a high school team and one from girls at the Deep Well ranch.

Entries Coming In Rapidly For Ninth Annual Palm Springs Golf Tournament Scheduled For Feb. 18, 19 And 20 Here

Preliminary enthusiasm indicates that the ninth annual Palm Springs Invitational golf tournament will be one of the best attended and closely contested in the long successful history of the winter event. George Howard, pro at the Desert Golf course, said today that entries for the classic, scheduled Feb. 18, 19 and 20, are now arriving in almost every mail.

Among the entries received were those of Jack Gaines, Glendale schoolmaster, who won the tournament last year and thus took permanent possession of the trophy, having won it previously in 1937 and 1939. He turned the 36-hole championship course in 138 to win in 1942.

DAWSON WILL BE HERE

Another important entry received was from Johnny Dawson who set the tournament record when he won in 1940. He turned in a 130 that year, best mark in the eight-year history of the event.

Other entries include Bruce McCormick, Carl Haymond, Bob Evans, Carl Hannan, Neil Whitney, J. W. McAllister, J. E. French, John Heddon of Dowagiac, Michigan, and many winter residents.

BUY NEW TROPHY

Howard bought a new trophy Wednesday to replace the one which Gaines lifted last year. A large field will try for the honor of getting their name first on the new cup.

John Kline, superintendent of the course, has it in fine shape and will have it at the peak when the play starts Feb. 18.

Thomas A. O'Donnell and J. E. French are chairmen of the tournament committee.

81st Basketball Team Runs String to Seven Straight

The 81st General Hospital team took two more games in the Army Basketball Loop during the week, defeating the 459th Squadron 55 to 38 and taking another by default from the 1270th and Mess outfit. The two wins kept them out in front in the loop with a clear record—seven games won and none lost.

Their nearest competitors, Torney General Hospital, kept pace with them by defeating the QM and Medic five, 69-19. The Torney team is but one game behind with six wins and one loss.

Headquarters five, from the air base, pulled into third place with a 35 to 23 win over the 72nd Squadron.

The standing of the teams:

Team	W	L	Pct.
81st Gen. Hosp.	7	0	1.000

Dr. Warren A. Fox, Health Chief For County, In Village

Dr. Warren A. Fox, county health officer, was in Palm Springs Tuesday of this week, outlining to Mrs. Madge Holderman, public health nurse, Dr. O. N. McRory, city health officer, and others at the Health Center, methods of procedure in health matters and mapping plans for a return visit to the Village next Wednesday.

On that date he will be in the Village to provide immunization for diphtheria, and also to vaccinate school children, not previously thus treated.

Dr. Fox spent some time investigating local health conditions while here.

A Book Holders Will Not Get Tires Soon

A book holders were warned this week to watch their tires if they want to keep on driving. No tires are in sight for them until the middle of the summer and then only in limited quantities.

James J. Newman, vice-president of the B. F. Goodrich company, now in southern California, said that the tire situation would continue to be serious until 1945, at least.

Mrs. Spalding Is Painfully Injured In Outing Mishap

Mrs. Thelma Spalding, wife of Wall Spalding of Desmonds, will carry her right arm in a cast for some weeks as result of an accident last Sunday morning when she jumped from a rearing horse and fell, breaking her right wrist.

The accident occurred while the Spaldings were on the Los Compadres breakfast ride. Mrs. Spalding remounted her horse and continued on to the breakfast and back and it was then that the injury became very painful.

An examination revealed the serious fracture and Mrs. Spalding was advised to consult a Hollywood specialist. She returned to the Village Tuesday night with Mr. Spalding but the injured member will be in a cast for several weeks.

Masons Open New Quarters Here For Members In Arms

Masons, who are members of the armed forces and now stationed or visiting in Palm Springs, this week were extended an invitation to avail themselves of the new quarters, established by Palm Springs Masons at the entrance to the Desert Inn grounds.

The new gathering place is in the former offices of E. M. Hutton and company and later the Art gallery, at the hotel grounds gate.

Men are dying...are you buying?

IF YOU'RE inclined to say, "I can't afford any more Bonds," just take another look at the casualty lists.

At least \$100 extra in Bonds—over and above your regular buying—is needed as your part in putting over

the Fourth War Loan. At least \$100, \$200, \$300, or \$500 if you can possibly scrape it up.

Look at those grim lists in today's paper. Buy your Bonds while the names are still fresh in your mind.

TODAY...A VITAL WAR FUEL!

"HURRY CALL!" The war won't wait; but mass production can now be speeded way up—thanks to precision control of Natural Gas!

Big job ahead! War materials are needed in a hurry and there's a way you can help: Uncle Sam asks you to conserve fuel of all kinds. And the fuel that is speeding Southern California war industries is natural gas.

Gas through precision control makes hurry-up, mass-production possible.

So use gas wisely in heating your home—don't waste it. Because gas is indispensable to the war effort—for dozens of technical requirements, for clean, fast heat!

Of this you may be sure—what is being learned of the adaptability of gas in war industry today, will help make your home even more modern tomorrow.

SOUTHERN CALIFORNIA GAS COMPANY

How you can help
CONSERVE GAS
for the war effort

When you save gas for heating—you conserve fuel needed to speed victory. So don't waste heat; turn off the gas before leaving for the day. Avoid over-heating. Shut the doors of unused rooms. Close outside doors.

**TOMORROW THE MAGIC FLAME
THAT WILL BRIGHTEN YOUR FUTURE...**

GAS

This advertisement is published in cooperation with the Government-Industry Campaign to Conserve Critical Resources for War through careful use of coal, oil, gas, water, electricity, communications, and transportation.

Do your part to Sink the Axis

—get that extra War Bond NOW!

Display Your Colors

Every patriotic home in America will want to display this emblem. Paste it on your front door or on a window to show that you have done your part in the 4th War Loan.

Now, as never before, your country looks to you to do your patriotic duty. For this is the showdown. The bloodiest battle of the war is on, to decide the outcome of the war.

And what's *your* part in this bitter struggle?

Right now, it's to get behind the 4th War Loan and invest in *at least one extra* \$100 Bond. A Series E War Savings Bond will cost you \$75, and you get back \$4 for every \$3 you invest, if held to maturity. But that's the least you can do. Invest more if you possibly can. Invest \$200—\$300—\$500 or more. Help the company you work for to meet its quota.

Remember, these *extra* War Bonds are in addition to your regular War Bond subscription, either through payroll deductions or other channels. Before you say you "can't afford" to do more than you are already doing, think of those who are pouring out their blood and their lives today and every day that this war goes on.

Build Your Future With the World's Safest Investment

All over the country men and women look to the future with confidence. They are the ones who have put part of their extra wartime earnings into the world's safest investment—U. S. Government War Bonds.

What about you? Are you letting the dollars slip through your fingers—dollars that should be put safely away in War Bonds?

There are War Bonds to fit your needs... bonds which are backed up by the strongest "company" in the world. Build that home you have always dreamed about. Send your child to college. Buy the wonderful things that are coming after the war. **YOU CAN DO IT WITH YOUR WAR BOND SAVINGS.**

Seniors Win High Praise For Annual Formal On Friday

BY CECEILE MORRIS

The sixth annual senior formal dance given Friday, January 21, in the auditorium of the high school by the graduating class of '44 was acclaimed by all present the most successful formal dance and by far the best dance held so far this year.

Entertainment began at 8:00 with music provided by the 21st Ferrying Group orchestra, directed by S/Sgt. Ray Leatherwood.

Grape punch and cookies were served throughout the evening to the 75 students and guests present.

The auditorium was decorated with crepe paper in pastel shades, potted plants and a lath arbor.

Three inch strips of blue, pink and green and white paper were draped across the ceiling from light fixture to light fixture.

Tiny pink and white crepe paper flowers covered the white lath arbor situated in the middle of the auditorium.

Potted palms and other plants, donated by E. E. Hoppe, were placed on either side of the arbor and in front of the stage.

The evening was highlighted by the drawing of the door prize which was won by Artie Lee Butler, a member of the senior class and her guest, Lt. L. B. Murphy, who is attached to the Ferrying Command. The lucky ticket was drawn by Doris Girod.

Many lovely dresses were seen throughout the evening.

Doris Girod who was accompanied by Gil Smith wore a strapless black dress trimmed with silver sequins. The dress was highlighted by a lovely orchid.

Erica Orth wore a navy blue sheer dress with long sleeves and a round neck. The dress was trimmed with white embroidery around the yoke. Erica wore two gardenias given to her by her escort, Harvey Gorcester.

Jo King looked exceptionally nice in a long-waisted black and white dress. The top of Jo's dress, which had a square neck and three-quarter length sleeves, was made of white batiste eyelet material, with a black jersey skirt. Jo also wore a thin black velvet ribbon around her neck that set off her blonde hair which she wore on top of her head. Her flowers were two gardenias, given to her by Dick McGonagle, class of '42, who was her escort.

Barbara Inman wore a black and white checked taffeta skirt with a thin white peasant-styled blouse. The blouse was trimmed with red embroidery. The dress was set off by a wide red band around the waist. Barbara was escorted by Pete Spore who gave her two gardenias which she wore in her hair.

Many students were accompanied by guests: Eric Liebenow brought Carla Van Tuglian of Rdlands; Julie McNeely was escorted by Jay Gordon of Hemet. Helen Louise Williams was accompanied by Lee Gilbert, class of '42.

Six Palm Springs High Students Try For Speech Honors

Miss Mary Louise Gaylord was very pleased to announce today that six students from Palm Springs high school will enter the 7th Annual School Speakers' Contest sponsored by the Lions clubs of California and Nevada.

The speakers are Lori Lee Bering, senior; John Chaffey, junior; McKinley McDaniels, junior; Jean Gilmore, junior; Diana Robb, senior; John Wilson, sophomore.

The first contest will be held February 3. Teachers and Mr. Francis F. Crocker, Lion club chairman of the Student Speakers' Contest, will serve as judges. The three winners in this preliminary contest will give their speeches to the student body at a later date in preparation for their appearance before the local Lions club on February 10.

Dr. F. C. Baxter Addresses Assembly In Lecture Series

Dr. Frank C. Baxter popular head of U. S. C. English department, spoke to the high school assembly on Thursday afternoon.

Dr. Baxter is widely known as an expert in the field of English Literature. He received his Ph. D. in Cambridge, England. He has been with the University of Southern California since 1930, where he has been the head of the English department.

His subject for the high school assembly was "Exciting Poems of World War II."

Dr. Baxter is third in a series of speakers on the subject "Whither American Idealism in the Post War World?", the series being sponsored in an adult education program authorized by the high school Board of Trustees.

companied by Lee Gilbert, class of '42.

The orchestra, which played from 8:00 to 12:00 was heard by most of the students at the Tennis Club Dance last October 1. This dance was sponsored by the seniors. At that time the orchestra was under the direction of Pfc. William Thurman.

The student body proclaimed the band the best it has ever heard at a school dance, and it gets bigger and better "As Time Goes By."

The entertainment committee deserves a great deal of credit for the success of the dance. Helen Louise Williams, president of the senior class, was in charge of all arrangements.

Kathryn Croft headed the decoration committee, and Norma McCall was in charge of refreshments. They were assisted by Norma Jean Mabrey, Mary Cornman and Donna Crockett.

Mr. and Mrs. Wood Glover and Mr. and Mrs. Paul Summers served as chaperons. Mr. and Mrs. George Bell also dropped in to watch the dancers. The senior class wishes to express its greatest appreciation and thanks to them for their able cooperation.

Mr. Summers took pictures of the girls in their formals, and of couples during the evening. These may be used in the Yearbook.

The admission charges for the dance were \$1.10 for couples, and 55 cents for tags.

This is the only dance of the year for the seniors. Their next, and last activity will be the annual senior play. No date has been scheduled for it as yet, but it will take place sometime in the spring.

Mr. and Mrs. George E. Gibson of Cathedral City are now home from the hospital and greatly improved in health. They wish to thank their many friends and neighbors for their kindness during their illness.

Indians Victorious Over Coachella By Four-Point Margin

The Palm Springs Indians won their game with the Coachella Arabs last Friday afternoon on the Indian's home court. The final score was Palm Springs 34, Coachella, 30.

The combination of Sandeffer, Smith and Gallagher was one of the reasons that brought the Indians through to victory.

During the first quarter of the game, the Arabs led by a margin of 14-0.

The Indians then started a great drive and at the end of the first half, the score was Palm Springs 16, Coachella 21.

After a "pep" talk from Coach Glover, the Indians came back in the second half determined to win this game. At the end of the third quarter, the Arabs were leading the Indians 25-24.

During the final period the Indians finally got ahead and led the Arabs until the final whistle had sounded.

Joe Sandeffer and Zeke Gallagher tied for high point honors. Both fellows made 14 points for the Palm Springs team.

The starting line up was: PALM SPRINGS: Sandeffer, r. f., 14; Smith, l. f., 4; Gallagher, c, 14; Lienau, r. g.; Foster, l. g., 2.

COACHELLA: Jenkins, r. f., 8; Esher, l. f.; Duncan, c. 9; Schmidt, r. g.; Barrilleaux, l. g., 7.

The Palm Springs "B's" were defeated by the Arab "B's", the final score of their game reading 27-13.

All through this game the Arabs led the Indians.

High point man for the Indians was Bob Bell, forward, with 10 points.

The starting lineup for this game was:

PALM SPRINGS: Bell, r. f., 10; Tartaglia, l. f., 2; Moore, c. 1; Ulmer, r. g.; McDaniels, l. g.

COACHELLA: Anderson, r. f., 5; Woods, l. f., 7; Porter, c. 3; Wise, r. g.; Jenson, l. g.

Today Friday, January 28, the Indians meet the Beaumont Cougars on the latter's court. This will be the second game the Indians have played the Cougars this season.

Gerald N. Kleeb Among Newcomers In Palm Springs

Stork John Doe made a hurried visit to Southern California last Thursday afternoon. On his return trip he dropped a little bundle off at Torney General Hospital.

The little man, Gerald Norman Kleeb, arrived at 1:00 p.m., Thursday, January 20th. He weighed six pounds and two ounces. Everyone says that he looks like his father, Capt. Olvin A. Kleeb, but Mrs. Jane Kleeb, his mother, and her husband, both insist he is still so young that it is difficult to tell.

Last fall Mrs. Kleeb taught sophomore English and Speech at P. S. H. S.

When asked how the captain felt about the new arrival, Mrs. Kleeb said, "He was very happy." Capt. Kleeb has been busy the past week painting a crib for his new son.

Both the mother and baby are fine and they expect to come home Friday, January 28.

Daughter Guest At Carl Bailey Home

Mr. and Mrs. William L. Saunders have returned to their home in San Diego after spending a week with Mrs. Saunders' parents, Mr. and Mrs. Carl Bailey of Palm Springs.

Mrs. Saunders, formerly a Villager, was Miss Florence Bailey before her marriage to Mr. Saunders, who is in the U. S. Navy.

GAZZOZIT

(By "CECIL")

This is your Gazzozit reporter back, as usual, to give you the week's happenings as heard over the P. S. H. S. secret listening device.

For some reason all we could pick up was the results of the formal and "Cow" Wallace's party.

All kidding aside, the formal really was swell, and everyone takes his hat off to those seniors.

This Friday marks a big day for that well-known couple, Bob and Trudy. How many of you remember that they started going steady January 27, 1943? If you happen to hear either of them singing "It Was Just A Year Ago Tonight," you'll know the reason why.

Hope they can keep up the good work for another year. They're the only two out of four couples that have been able to stick it out.

Doris must have had her curved vision working when she drew Artie and "Murph's" number out of the "fish bowl" at the formal.

Guess you all saw Bill Gilbert while he was here. Wouldn't it be nice to have that paratrooper land in your back yard.

Privitt has a good suggestion that ought to be passed on to Coach. He thinks that the "B" team between all of them should be able to make a letter. Then they should all chip in and buy one sweater and take turns wearing it. The O. P. A. would love him for that.

Dave Quackenbush finally came out of his shell and took Sallie Lockett to the formal. He should have started a little sooner, he's leaving February 1.

HURRAH!!! And all the other cheers to the "A" team. That game really was swell. Keep up the good work fellas.

From the last will and testament of the graduating class: What would Jerry Tracy do with a dieting technic? Yehudi would be a good name for him.

Did you know that Marilyn "Boots" Miller was in town Sunday. Hear she and Paul had an unexpected meeting in the Pharmacy.

However, it's more than rumored that Paul is definitely that way about Clara Von Tuglan.

"Cow" Wallace's party was a big success. A few people should be able to wind string up by now.

Hear there were some unexpected happenings at the C. E. party at Inmans Sunday night.

New face: Dick Sherman from Wisconsin.

The Dear Departed (to other places): Frank Featherston and Rosemary Pratt.

Joe and Hookey still going strong. Hear Joe doesn't waste any time at any time.

Congratulations and best wishes to Pat Bryce, Donna Crockett, Pat Holderman, Barbara Knowles, Martha McCarn and Bettie Neese. We all hope you will reach your goals and be very successful.

Frost bitten fingers and toes were the subect of the return trip to P. S. last Sunday afternoon after everyone had helped to fill Jay Gordon's rumble seat up with snow. It sure was cold and I know we picked the wrong day to go, but throwing that snow at everyone made it worth our while.

Seen around town: "Little Hoog" with Art Jones at Cow Wallace's. Van Linkletter in town and also at "Cow's" with Babs. Dick and Jo making a weeking end of it as usual. Mabrey, Smitly, Barbara and Zeke doing the same. Dick Moseley and Polly Gnagy at the formal. Julie and Paul there, too.

That's about all the news for this week, but before signing "30" to this edition I'd like to say something on the serious side for a change.

Do your best during this 4th War Loan; sell as many bonds as you can, and buy some if possible. Let's all do our part not only to show the people here in town that we can but to do our utmost to shorten the length of this war.

The bond you buy or sell may be the one that paid for the last round of ammunition fired on the enemy.

Do your best—Buy War Bonds and Stamps. It's better to give up that new dress or spot light now, than your whole future a few years from now.

This is your Gazzozit reporter signing "30" to this edition. I'll see you next week with more news.

IT'S A DATE

By JO and BOB

While looking around at the Senior formal Friday night I noticed an unusual twosome: Diana Robb and Warner Moore.

Diana asked Warner the first of the week. (It was girl's choice, remember!) Naturally, he accepted.

Warner confesses he was a bit rushed to get there at the appointed time. In fact, he started to leave home without Diana's corsage, but luckily his mother reminded him he was forgetting something. He called for Diana at 8:15 and they arrived at the dance about 8:45.

Diana wore a powder blue chiffon formal with silver accessories, also a blue coat. Her flowers were gardenias.

Warner wore light blue trousers and a tan herringbone tweed jacket. The outstanding feature of his costume was his TIE. It was one of those flashy Hawaiian print ties. Was it a pip!! Drool!

Well, after the ball was over they got in his little V-8 and drove down to the local hang-out, Tahquitz Creek Cafe, for the usual hamburgers.

What, no more nickels for the juke box? Well, he still had gas (a "B" book) so off for a short drive. (Little "T").

This "Date" had to be cut short because of basketball training rules.

They both admit they had a swell time.

Editorial

STUDENTS "BACK THE ATTACK"

We, the students of P. S. H. S., have been asked to take part in selling War Bonds in the Fourth War Loan Drive.

This isn't much to ask of us, and we have the manpower. There are over 200 of us here and we should be able to put this over big. We WILL put it over big!

Our school hasn't been asked to do much in other war activities. We have no Victory Corps. Palm Springs high school can't serve as many other high schools are serving in the war effort. That is because of its environment.

There are no industries and war businesses which call for student help as in other places. But Palm Springs high students can help sell bonds in this campaign. They can do the "leg work" in going from house to house and pushing door bells in their effort to "Back the Attack." Palm Springs high can make a unique record for itself among high schools of the country in this selling campaign. And this we are determined to do.

We can't quit now, and we can't sit back and say, "Oh, they don't need me. Joe Blow has sold \$8,000 worth already." What if Joe Blow decides to quit? Where would we be then? Once we get our foot inside the door we should be able to sell at least one bond at each house.

Splendid prizes are being given to the three individuals who sell the most bonds. This should spur you on if nothing else does.

We still have until Feb. 15, so students who didn't feel the urge to get out and sell bonds last week should sign up now and work like mad. When Feb. 15 comes around, make the Palm Springs high school able to say proudly, "We went over our quota. We 'Backed the Attack!'"

Second Semester Begun Monday At Palm Springs High

Monday, January 24, marked the beginning of the second half of this school year. It was the beginning of the second semester. Now students of P. S. H. S. are looking ahead to the coming of May 26, the last day of school.

This semester a few changes have been made at the high school, so some of the students will have a better opportunity to take the subjects they wish to take.

Miss Peggy Clarke will have an extra period of band, this period being third period each school day. She is going to relieve Miss Julia Webber from sixth period study hall in compensation for being relieved of an English I class by Miss Mary Gaylord. Miss Webber has been teaching seven periods of study hall a day, and will now have one free period.

Mrs. Kathryn Martin has completed teaching her first half of U. S. History, and Miss Margaret Brown will continue teaching Civics to the class. Miss Brown has been teaching Civics to pupils who took U. S. History last year. She will teach Civics first period instead of second period. Mrs. Martin will teach a course in American Problems which will include units of work in social and personal psychology. This course is open to seniors only.

Smoke Signals Staff For New Semester Announced Today

The journalism class got its second semester program well under way Monday, Jan. 24, when the new Smoke Signal staff was elected.

Margaret Walker was elected Editor of the Smoke Signals. Martha McCarn, previous editor, graduated January 21. Barbara Emigh was elected Associate Editor, taking Bob Hoover's place. Bob Hoover took over Barbara Knowles' place as Business Manager. Bob Lienau will remain as Sports Editor. This semester's feature writers are: Jo King, Ceceile Morris and Maureen Roybark. Reporters are: Dick Moseley, Trudy Sawyer and Jerry Tracy.

This staff will continue working with Mr. E. E. Oertel, faculty advisor.

Mrs. Will Fisher and daughter, Ruth, who spent a few days in Palm Springs at Sunshine Court, have returned to their home in Los Angeles.

G. A. A. News

BY TRUDY SAWYER

The G. A. A. suffered a great loss last week when Pat Holderman, former president, graduated with the mid-winter graduating class. Other active members leaving the G. A. A. due to this cause were Martha McCarn, Donna Crockett and Barbara Knowles.

The new president will be elected at the next meeting.

Mrs. Eisen, G. A. A. adviser, announced today that horseback riding would be the activity for the next regular meeting. Girls who wish to join the group must sign up in the office before Wednesday.

Upper classwomen, Juniors and Seniors of the G. A. A., bowed their heads to their younger classmates, Sophomores and Freshmen, after the defeat witnessed in a "hot" volleyball game last Wednesday afternoon. The lower classwomen won 15 to 9.

The G. A. A. was very active last semester in completing a season of basketball. The girls have started an exciting season of field hockey. Captains for the teams are Sally Robinson and Barbara Smith.

Girls who have not yet paid their dues are asked to pay Joanne Hookey as soon as possible.

Cathedral City

W. R. HILLERY

Osee E. Johnson and Ethel M. Johnson, residents of our village for the last three years, decided to make Cathedral City their legal residence and last week registered for the general election to be held this year.

Several others have mentioned that their intention is to register here. There is no time like the present and the writer is a deputy county clerk for registering voters so there is no inconvenience attached to the procedure. In addition to the selection of your President, there are many other positions to be filled in our national, state and county set-up and this is no time to become cynical about what your duty is worth to our country.

The Fourth War Loan drive went off with a bang and is still banging away and if the rest of the communities of the country go with the same sort of a bang, the report will be heard and felt 'round the world in more ways than one. Sorry I haven't our local figure to give you this week. During the last drive, the Palm Springs high school students were dormant in relation to the drive but Dr. Oertel, principal, was given specific objects to accomplish and in addition to the parade effort which was most commendable, he asked faculty member Henry Greeley to organize the students for residential solicitation of bonds. The success of the students is an indication of what they will accomplish when life's battle is fully launched for them. Success.

The forum lecture at the Frances S. Stevens School in Palm Springs next Thursday will be by Dr. Yu Shan Han. I was in error last week in mentioning the date as this week. Count Byron de Prorok gave an intensely interesting lecture on his experiences in the Mediterranean area and about France. The meeting was academic and not political, but I was sorry that at least I as an individual, did not manually applaud certain climaxes regarding France.

It just so happens that on Thursday nights, educational films are run in the Cathedral City school and I would like to see everyone who could attend, do so.

Hard as we have worked to make the army wives comfortable and happy in our village and to break rules of house owners that no children were wanted in their places, we now find that a great mistake was made. Not by us, but the army wives. The expectant and past expectant mothers are far too late. Our local school needs more pupils, not a half dozen years from now but currently. Should we make a rule that no children under six years of age are permitted as tenants? For the sake of the school board, we hope the school age group increases.

Mr. and Mrs. C. Morgan Gefert and child have been vacationing with Morgan's parents, Mr. and Mrs. C. M. Gefert. Morgan or Gep as he was known in Palm Springs during the number of years he previously was employed there, is now in defense work on the coast and is taking a well-earned vacation. We simply couldn't make the weather behave while this young couple were here.

Cecil Sturtevant, resident for many years in Cathedral City, is back after spending some time in Redlands, his old home town.

The latest of many transfers of property is the purchase by J. Ray Burns of the Dr. Anne Louis Stewart dwellings, and Mr. Burns tells me he has sold his Blue Haven Court to Palm Springs people.

Season's Rainfall Well Above Normal With 7.66 Inches

Palm Springs' rainfall for the 1943-44 season was a quarter of an inch above the fall for last season to date with the addition of .11 of an inch last week-end. It was the first rain of the month and brought the season's total to 7.66 inches.

Last year, at this time, the season's fall was 7.39 inches. One of the heaviest storms of last season visited the Village just a year ago this week, more than four inches falling in two days. U. S. weather bureau average rainfall over a 35-year period is announced as 5.60 inches.

Redlands U. Offers Scholarships to High School Seniors

Senior students at Palm Springs high school are eligible to take scholarship examinations for scholarships at the University of Redlands, it was announced today by Dr. Floyd C. Wilcox, director of admissions at Redlands.

The examinations will be given at the University of Redlands, February 26.

Ten college career scholarships to the University of Redlands are available, ranging from \$1200 to \$800 for a four-year course or the equivalent of eight terms if the college course is accelerated by continuous study.

Riverside Man Held For Morals Offense

A Riverside man, whose name was temporarily withheld by police, was in county jail today in lieu of \$1000 bonds awaiting hearing on a morals charge involving a young girl. Complaint against the man was signed by Chief of Police Lyle J. Sanard.

Missing Japanese Arrested At Blythe

Masanobu Hata, a Japanese born in Riverside, and who was sent to an internment camp from Torrance at the start of the war, travelled from St. Louis to Los Angeles, entered forbidden territory, obtained his automobile and ration stamps for 140 gallons of gas and was driving back to St. Louis when he was arrested by county officers and the FBI at Blythe, it was revealed Wednesday.

Hata had been released from internment camp by the War relocation authority.

Relief Conditions In County Improve

Continued improvement in the relief problem in Riverside county was noted in the report of the California Taxpayers' association for January. It revealed, that with the exception of aid to the needy aged, people receiving aid dropped from 907 in July, 1943, to 835 in December, 1943.

The aged aid rolls numbered 3,483 in December as against 3,368 in July.

THIS FARM BOY GAVE ALL... You are only asked to lend your money!

LIUTENANT (j.g.) PAUL BAKER, Navy pilot, with five Jap aircraft to his credit in the day's fighting, was hovering over the aircraft carrier Lexington at dusk, awaiting the signal to land. His gas tanks were nearly empty. Suddenly, over the horizon Jap planes were spotted. It was feared the Japs might discover the Lexington and try a suicide attempt. Baker's order to land never came. His landing lights might have given the Lexington's position away. Without hesitation, Lieutenant Baker turned his plane away from the big carrier and headed for the open sea, luring the Japs after him. He disappeared into the night, never to be seen again. The Lexington was safe.

You can buy extra Bonds!

Paul Baker had a big decision to make. It took him about two seconds.

We, at home, also have a decision to make. We are asked to buy extra War Bonds at once. Our boys at the front are depending on us in this Fourth War Loan. Our patriotic impulse is to say "yes" first and look around for the money afterwards. Let us obey that impulse! It will do us good in more ways than one!

Paul Baker sized his situation up in two seconds... and acted. We, whose duty is so trifling by comparison, need scarcely more time in which to do ours!

Think! We are asked to make an investment, not a sacrifice! We are asked to invest the money we would normally use to replace automobiles or farm machinery or repair buildings and fences. We are asked to establish a depreciation

reserve which will be available for replacements after the war. We are asked to build up a financial reserve for unfavorable years that may come later, or for the education of the children, unexpected hospital bills, or the payment of taxes and debts.

War Bonds are the best form of financial reserve ever offered you. Your money helps finance the war. By postponing unnecessary spending you speed production of planes and munitions to win the war. The gradual expenditure of your reserve after the war will provide jobs for returning soldiers and help stabilize the nation's finances in the post-war adjustment period.

Ask yourself: Have I a single valid reason why I should not buy extra War Bonds?

Then, like Paul Baker, make your decision and act!

Get Ready For The Day When Johnny Comes Marching Home

If you have a boy in the service, think what it will mean to have him come back and share with you the joy of equipping the farm with the best in tractors and other machinery. Think what it can mean for you to have the cash to put the children through college. Think what it can mean, a few years hence, to have new farm buildings or a new home or complete modern conveniences about the place.

To thousands upon thousands of farm and ranch owners who have bought extra War Bonds, these things are assured. For the first time in their lives they are going to be able to have the things they've wanted. Some of them are your neighbors. How about you?

LET'S ALL BACK THE ATTACK!

Volunteer Nurse's Aids Have Chance to Do Big Service

By PRISCILLA CHAFFEY

Applicants for the first course for Red Cross Volunteer Nurse's Aids have been coming into the Red Cross Headquarters this week to register for the six weeks course. Mrs. Elbert Brock, chairman of the Red Cross Committee, reported the response for Nurse's Aids good—but not good enough. Candidates for the course may register through Wednesday, Jan. 31, from 10 a. m., to 4 p. m.

Capt. Traeger, Supervisor of Nurses at Torney Hospital, commenting on the very definite need for Nurse's Aids, today said, "The service given by graduate Nurse's Aids is a lot of work—and very necessary." Capt. Traeger, who is like no one's idea of a Supervisor of Nurses for such an immense hospital, being young and slim with serious hazel eyes, continued to say, "We do not have enough nurses to give the individual care we would like the patients to have. The Trained Nurse's Aid can give this individual care which means so much, and our boys certainly deserve it."

It is unfortunate that every woman in Palm Springs between the ages of 18 and 50 could not have heard the tone of her voice and seen the expression on her face when she said, "And our boys certainly deserve it." Had they been able to hear her, the quota for the course would have been full within half an hour. Physically fit women have an opportunity for service here as important as any on the firing line. The course is six weeks and the service for a graduate is in shifts of two and one-half hours or longer.

Civilian Defense Put On New Basis

City council met in special session Monday afternoon at council chambers to adopt a resolution putting the Palm Springs Civilian Protective Service and Civilian War Council on the newly adopted state basis, conforming to the recently reorganized state war council set-up.

At the same time new officials for the local civilian defense group were announced.

Clarence Hyde has been named director of civilian defense to succeed Earl E. Gibbs who resigned last week when he was commissioned Lieutenant Commander in the U. S. Navy.

Tom Holland was named chairman of civilian war service.

turned in several thousand dollars in sales of bonds.

Highlight of the week was the great premiere of Frank Sinatra's "Higher and Higher," at the Plaza theater Wednesday night. The house was packed and many were unable to get in.

The 21st Ferrying Group band played stirring music for the affair and after the oath of allegiance, led by Dr. John R. Macartney of the Community Church, Tom Holland was introduced.

PRAISES VILLAGERS

Mr. Holland said that it was one of the great moments of his life to stand before such a patriotic audience as the people of Palm Springs had proven themselves to be, by filling the theater. (Admission was by bond purchase only.)

"I am quite sure that you will be happy to learn that at noon-time Tuesday, Palm Springs had the distinction of being first, both in Southern California and the nation . . . in going over the top."

"I am trying to make this talk as brief as possible because you have proven that the people of Palm Springs do not need a sales talk when it calls for a patriotic effort. . . ."

EXPRESSES APPRECIATION

Mr. Holland expressed deep appreciation for the aid rendered the drive here by the great military parade which opened the drive, thanking the armed forces, the Red Cross, the Gray Ladies, American Legion, Boy Scouts, high school and grade schools for their part in the successful event.

He paid high tribute to Earl and George Strebe of the Plaza and Palm Springs theaters for their generous part in the campaign and the work of the high school students in their door-to-door campaign.

TO DOUBLE QUOTA

"May I close with these remarks: "While we have exceeded our goal of \$400,000, what I would like to say now is that you are not only backing the attack by buying more bonds, but that you will not rest or quit until we have doubled our quota and show the nation just how we here in Palm Springs feel."

Mr. Holland called upon Mr. Weinberger who single-handed had brought in more than half of the quota, to rise and take a bow. Great applause greeted Mr. Weinberger.

Saturday, J. M. (Mack) Johnson, head of the county Fourth War Loan drive, was in Palm Springs to personally congratulate Mr. Weinberger.

THE COMING WEEK

Highlights of the coming week include two events on Sunday. One is the parade, kangaroo court and Gymkhana staged by the Los Compadres club at Trav Rogers' ranch, and the other, the opportunity to ride in jeeps, armored cars and light tanks Sunday afternoon between 2 and 4 p. m., before the local theaters. A \$25 bond purchase entitles the purchaser to a ride in a jeep, a \$50 purchase to a ride in an armored car, and a \$100 purchase to a ride in a light tank. This part of the program was arranged by Lt. Col. E. T. Thompson of Torney General Hospital.

In addition, another bond show is being arranged by Earl and George Strebe, details of which will be announced later.

Cathedral City Community Church Fund Drive Is On

The Community Church is having its annual drive for funds to carry on its work. Due to the small membership, it is necessary to have the support of seasonal, as well as permanent residents in Cathedral City, to maintain its services.

It now has a resident minister, Rev. John C. Abels, who has had important pastorates in this country and abroad. He has expressed the wish that anyone needing the ministrations of a clergyman, he will not hesitate to call on him.

Mr. and Mrs. Abels are living in the building at the corner of Broadway and Van Fleet avenue, which they purchased, and are remodeling into a residence.

Story of Lawrence Told Village Lions

Dr. Frank C. Baxter, head of the department of English at the University of Southern California, addressed members of the Palm Springs Lions club yesterday at the Desert Inn on "The Career of Lawrence of Arabia," giving an interesting story of this colorful hero of World War I.

Eugene E. Theriault was program chairman for the day and Harold Hicks presided in the absence of President Culver Nichols.

War Hero Rally At Plaza Theater Arouses Much Enthusiasm And Boosts Bond Total; Film Stars Aid Show

A highly successful rally Sunday afternoon in front of the Plaza theater aided materially in speeding the Palm Springs fourth war loan along its way to the \$400,000 goal set for the Village.

be deprived of their favorite home town paper.

So the Masons voted to pay for papers to boys in camp or at the front. A fund of \$60 has been established and it is planned to raise this to \$300.

Parents with boys overseas who want their home town paper are urged to bring their names and addresses to the Desert Sun office and these names will be turned over to the Masons for action.

Under the recent government order The Sun was regretfully forced to discontinue 37 free papers to boys overseas. Newspapers are now being warned to eliminate their free lists to boys still in the nation because of the paper shortage.

REPORT ON BUILDING

Another important matter before the Masons at Tuesday's meeting was the report on the building project. President Lloyd Simon and Francis Crocker, chairman of the building committee, jointly reported that erection of the Masonic Temple in Palm Springs will start as soon as building restrictions are lifted. The lot, on Palm Canyon drive between the El Paseo building and the water office, has been purchased and the building fund started.

The building will cost \$12,000 and will be so constructed that additions may be made easily. One of its features will be a large comfortable lounge where visiting Masons may come and relax.

President Simon said that any wishing to add to the building fund should contact him, Mr. Crocker, W. R. Hillery or Judge Guy Pinney. He also reported that the Masons club had invested \$1500 in war bonds.

It was announced that George Davies and M. Van Cleef had been appointed in charge of the Masons' day room for soldiers at the entrance to the Desert Inn grounds and that volunteers to take charge of the room were wanted.

Speaker of the day was Superior Judge O. K. Morton of Riverside. He dwelt on the history of Masonry and called attention to the fact that George Washington was the first grand master of Masons in the United States, that Paul Revere was master of his lodge and that many leaders and generals in the Revolution were Masons. He said there are now 700 Masonic lodges in the nation and that 1500 Masons now attend the grand lodge sessions.

Judge Morton is a 32nd degree Mason, also a Knight Templar and former head of the Knights in California.
